Building Better Apprentices Workshop

25th & 26th July 2019

Building Better Apprentices is a new professional development workshop for supervisors.

This two-day workshop will explore the different issues faced by young men and women in trade and how you can bring out the best in them.

We know role models are crucial.

You are building the tradespeople of tomorrow and we know you want to help make them the best they can be. **So what's in this for you?**

What are the benefits?

- Increase retention rates and productivity.
- Create a safe and inclusive workplace.
- Promote positive mental health.
- Learn how to recognise and respond to various forms of bullying and harassment.
- Learn how to use your own strengths to enhance your workplace.
- Reduce risk taking behaviour.

Build better relationships. Build better apprentices. Build a better workplace.
